Also, I, hereby, formally Compel Discovery to include (to be delivered by said DSS): 1. All investigation documents mentioning client which are possessed DHA and/or D.S.S. in relations to 2. Record of all Comments or Representations attached to said client's case file; 3. Notification of any so-called sealed (or otherwise access-limited) (allegedly) documents mentioning said client also possessed by either or both said agencies.

Declaration In Support

Whereas, (as previously asserted) during a time proven to be deceptively Arbitrary, Capricious, Overtly, while said agency has betrayed Malicious Motive against client's (Fundamental Rights of) Life, Limb, Liberty and Property and Intent of foul Play Conspiracy (in Retaliation to his Just Accusations), client is Reasonably unable to Trust in Lawful Fairness of Venue at its locations of controlled function-space or by Telecommunicated proceeding scheduled. [See AV Records: 210215... and 210216... at JCTF vs SAC City et al. Playlist link on Homepage at www.660ip.wordpress.com.]

Whereas, said client has been Exigently Overburdened by Incalculably Extreme Damages caused by Prolonged Harassments by Abuse of Process (as previously asserted in Complaint), via telephone, of Time-Waste, Delay and Monetary costs (of phone operation, and while indigent without income) and therefore, said client is too Overburdened by joined acts for costs of telephone interview procedure; he cannot afford any more of such costs imposed by either or whereas, client is too Overburdened by joined acts of Legal Harassments (per past assertions of Conspiracy to Commit...) to currently research authorities at issue, yet certainly they do exist.

Whereas, Certainly Venue is bound to full disclosure of Discovery pursuant to Rule of Law and Legal Justice at issue. If Whereas, Sarah Russell (by my experiences in self-reasoned influence) was extremely suspicious by her Misconduct (as recorded) as "ombudsman." Whereas, it has proven that a couple organized-Crime business (as previously asserted) have incessantly Harassed system against This Innocent Witness; and 2. All manner of Foul Play and Racketeering in Conspiracy to Commit, against same Innocent witness in Retaliation.

whereas, it has proven (although government has guiltily false - denied
obstinately) - yet I persist with, called upon Just Correlation 3, or indeed acts
of same conspiracy include those of collusion with infiltration within actually
all agencies with which client has ever dealt (and CERTAINLY by client's
experience to NOT BE PREJUDICED with continued PARTIALITY, IN CONVI-
SION). [And this, by own experience. And those of Idaho County and the DNA of incident
have been the worst conspirators ever, and since client's ACTUAL Honourable Discharge
from APR in 2002 (when, simultaneously they forfeited their contract with client by
Honourable UCMJ Violations in 2007 Anonymous). But records were tampered to conceal said
Crimes and there were results APR has refused to cooperate with rectifying in Illegal Conspiracy.
I know, almost two decades ago, I firstly met one Daniel Russo (of N. Canton, OH -- as appeared before
dispossession) as a new visitor to an institution named Faith-Bible Church, highly representing as a
pious, Christian church. [Whereas, client previously became accepted as a member, same day
institution announced with sincere intentions (contemporarily approving its statement of faith and properly stated
which did not mention leadership's heterocism, per knowledge that motivated amongst others for eventually, in
Obedience to my Lord, within the Crypto-satanic, satanic realm of a stark, could, on) with sincere intentions on
a True-Believing Judeo-Christian (and with such conversation, in my life) in Relationship with the
True Lord, Jesus Christ as His Disciple -- and that (the rest of its configuration) targeted, as distinctly, as
ful and cheerfully underhanded oppressors as ex, men and impostors working those and worse" and as
"fake-shepherds" and "sheep turned to wolves, client's person figuratively in secret.
I realized, approximately three years subsequently, by Proof, I CERTAINLY REALIZED: church institution, open-
and also, by rest of its body members, who were not ACTUALLY of Christ (but manipulative, false, and more
a most diabolical (blatantly) "MacArthurism" Heresy (which the subtle, of its subversive, doctrinal, and more
to my disappointment, proved to be) of the current Great Apostasy. A whereas client, upon residence work,
separated from out of record. [Whereas, furthermore, client has CERTAINLY discovered that church of
Satan High Priest, Brian Warner (a local to regions secret, society network), and client's relative, Michael
Horvath of schismatic Association of out of record aid (of the Heretical school of the contemporary, so-called
"Reformed Theology" with its Shepherd's Conference of one John (pastor here) who both amongst network of
Occult-Organized Crime Enemies of omnibenevolent and directly, and obsessively connected and involved with
past institution of record in same Protestant conspiracy. [And I am a 50 year-old Adult, ELDER,
OLD-MAN.] [Whereas, shortly after first acquaintance as of record: 1. Daniel Russo, as visitor in
company with one Branch Family, that were co-members of church of record as "church-family"
in company with, offered client a boarding room in his home. [Whereas, although
client to accept Russo's offer, he kept persisting; and, also, one Ruth
in client to accept same "the corroboration would be

Salute of schismatic Association of cult operators (of the network of
Hortons of "Reformed Theology" with its Shepherd's Conference of one John (pastor here) who both amongst network of
Occult-organ and Crime Enemies of Protracted Conspiracy. [And I am a 50 year-old Adult, ELDER,
Ruit institution of said in same Protracted Conspiracy.] And I am a 50 year-old Adult, ELDER,
OLD-MAN. [P] whereas, shortly after first acquaintance as aforesaid: 1. Daniel Russo, as visitor on
friendship with one Branch Family, that were members of church aforesaid as "church-family"
client had kept company with, offered client a boarding room in his house. P whereas, although
client, for a long time, was amenable to accept Russo's offer, he kept persisting; and, also, one Beth
Branch persistently persisted to pers. made client to accept since "the cohabitation would be
mutually beneficial (post Russo's recent divorce) to assist each others' split-family parenting vacations."
Whereas, after a number of months, accepting Russo's offer, client, by endeavor, realized: 1. Russo was
Italian-American mafioso with his family who owned and operated a cement company as a legitimate-
business front; 2. Daniel Branch was a foot-soldier, association fronting as a glazer while his wife
carted narcotics fronting as a really known newspaper deliverer; and 3. Russo's offer was
only, actually, typical Mafioso Operandi of Mafiosos in Criminal Conspiracy Plot of Foul Play; and 4.
Russo family is directly involved (related to) Petrucci Family who are step-family of my deceased
grandfather, Bruno's law Hydrick (Eddie Hydrick [also culprit amongst culprits] father (brother of
deceased biological mother who is disowned by client [for Justly Biblical causes]. P whereas, said
Conspiracy has actually been conducted (and protracted) since my birth Ritualistically, by an
Occultic-organized Crime Network (of which rest of client's family are members) and is a secreted
matter of the (ACTUALLY) Crypto-satanic Vatican of the Current Great Apostasy (as the current
seat of satan) with its multitude of mad interests including human sacrifice (since an angel
restrained client's unqualified "birth-mother" delivered at birth). P whereas, these above,
along with Hortons of Lackland AFB TX, actually were involved in jointed acts of same
Conspiracy aforesaid at 910th ALW, AFR during my enlistment.
Wherefore, Rule of Law Doctrine presumptively outweighs favoring Demanded Procedure as aforesaid
(while client's severely suffering anomalously exigent circumstances aforesaid. Therefore,
it is in the Interest of Justice that said procedural Demands of client's attached Letter of Demand
be practiced in this hearing matter.

Sincerely,
Jacob (James E. Horton)
Pro-se, In forma pauperis
